Internships – General Information

The Purpose of Internships
An internship provides "hands-on" ministry training and is a critical component in student formation for ministry. Because of the varying nature of each student’s ministry involvement, flexibility has been built into the Internship requirements, but all internships must these two dynamics.

- An Internship must involve taking on concrete responsibility, not simply observation.
- An Internship must be less about exploration and more about management in ministry.

Many Internships take place in local congregations. Others may take place in missions or parachurch organizations. As venues vary for Internships, you might wonder if an idea for an Internship is appropriate for academic credit. You can consult the Director of Field Education to discuss your idea.

Specialized Internship Opportunities
Other Internship opportunities exist for selected students. Students interested in the following Internship options will be required to submit additional information. See the Director of Field Education for information.

- Association for Clinical Pastoral Education (CPE)
  CPE is a supervised clinical experience, typically in a chaplaincy context. The Association for Clinical Pastoral Education accredits CPE learning centers around the country, providing experience in pastoral growth and personal learning in a multi-faith context. CPE opportunities in the Arizona are located in hospital settings in Phoenix, Mesa and Yuma. More information can be found at www.acpe.edu. (Note: Students pay the CPE center directly for application and tuition fees that they require.) Students are encouraged to undertake CPE only after completion of approximately half of their degree program.
  Students completing one unit of CPE may receive transfer credit for one Field Education Internship of 2 credit hours plus 2 elective credits (for a total of 4 credit hours). A maximum of two units of CPE will be considered for credit.
  Students apply to the CPE center of their choice, complete their CPE unit, and request transfer credit for CPE to their Phoenix Seminary degree program.

- Clinical Pastoral Education (CPSP) via College of Pastoral Supervision & Psychotherapy
  CPSP is an alternate provider of CPE and is designed to afford students the ability to complete CPE in cities and towns in which no CPE center is located. For more information on CPSP-based CPE, contact the Director of Field Education.

- Future Professor Program
  The Future Professor Program is a joint program between Phoenix Seminary and Arizona Christian University’s Bible and Theology Department. It is open only to select students with faculty
recommendation. Students serve as unpaid graduate assistants to an ACU faculty member, helping to administer classes, grade class work, doing limited lecturing, leading group work, managing grading and assessment, etc. The goal of the program is to expose students with the best potential for academic teaching to the tasks involved in post-secondary education. Students complete an Internship Learning Contract in consultation with their mentor-professor to be approved by the Director of Field Education.

Course Student Learning Outcomes:
Outcomes listed below are necessarily adaptable to the specific setting of the Internship. It is not assumed that all Internships will meet all learning outcomes.

- The Intern will participate in substantive leader/manager areas of ministry practice suitable to the ministry environment with a goal of demonstrable knowledge and basic competency in the ministry setting.
- The intern will demonstrate healthy relationships with God and neighbor, exhibiting refined sensitivity in person-to-person communication as a part of his/her leadership development skills. It is expected that this communication will extend to diverse audiences (gender sensitive, cross-cultural, cross-generational, etc.)
- For interns involved in preaching/teaching, articulate sound doctrine according to historic Christian orthodoxy.
- For interns involved in preaching/teaching internships, effectively use any skills the student has learned in using biblical languages for exegesis.
- For interns involved in preaching/teaching, communicate Scripture clearly according to proper homiletical principles.

Field Education Personnel
The Director of Field Education is responsible for the administration of the program.

The Internship site supervisor works with the student to design the scope of the Internship and directs the student’s work. Select your potential supervisor with care. Look for someone you respect who displays competence in the type of ministry you envision for yourself after graduation.

Ministry Opportunities
It is the responsibility of the student to contact and secure a suitable Internship site and supervisor. However, the Director of Field education keeps a list of ministries that are seeking interns for their ministries.

Exemption/Advanced Standing
If you are currently in ministry and can document that you have had substantial ministry experience, download the Advanced Standing Application for Internships. You may qualify to receive advanced standing credit, or partial credit, toward your Internship requirements.

Requirements Checklist for Internships

☐ Register and pay for the appropriate Internship course through the seminary Registrar’s office.  
*(Note that Internships and Counseling Practicums may not be taken concurrently.)*

☐ Make an appointment with the Director of Field Education before the semester begins. At this meeting the Director will advise you about your upcoming internship experience and final course requirements.

☐ Complete a learning contract including learning objectives formulated by both the student and the Internship supervisor. **Make two copies of your signed contract.** Give one to your internship supervisor. Keep the other for your own reference. Send the original signed copy to the Director of Field Education.

☐ Purchase and ABSORB the required textbook: *Courage and Calling: Embracing Your God-Given Potential*, by Gordon T. Smith (IVP). You will be questioned during the debrief meeting following your internship on the contents of this text.

☐ Complete 120 clock hours or more of ministry site experience to receive full credit for the Field Education internship. This means that to complete an Internship in one semester you will devote an average of 8-9 hours per week to ministry during the 15 week semester. Preparation time can apply to no more than 50% of the total hours of involvement. Actual ministry time such as teaching, leading a Bible study, counseling, meeting with your Internship supervisor, evangelism/discipleship, etc., are included. Time normally spent in church attendance or travel time is NOT counted.

☐ During the 7th week of the semester (or at the approximate halfway point of your Internship) both you and your ministry supervisor are required to check in with the Director of Field Education by email. This is a simple email in which both of you indicate whether your internship is proceeding as planned and all is well.

☐ If your internship does not follow the standard semester calendar . . .  Because not all internships follow the Seminary’s semester calendar, the student has discretion to modify the time sheet as appropriate for the scheduling/duration of his or her own Internship.

☐ Complete a reflection paper per the instructions in this packet. This paper and an accompanying out-brief session with the Director of Field Education will be **due one week** before the end of the internship experience.

☐ Submit the final evaluation forms due from the student and the supervisor during the last week of the semester. The student is responsible for submitting completed final evaluation forms and time log at the close of the Internship. The student will provide the supervisor with his/her evaluation form for them to complete. All evaluations must be returned to the Director of Field Education. Your grade will be determined by the Director of Field Education based on these evaluations, the post-internship reflection paper, and the debrief.

☐ Meet at the scheduled time with the Director of Field Education to debrief (a) your paper, (b) your internship, and (3) your reading of Gordon Smith’s book. This may be a group out-brief with other completing interns.
End-of-Internship Reflection Paper Assignment

To complete your internship requirements, the faculty requires a significant reflection paper about your experiences. This is personal and theological reflection on your ministry experience during your internship, since your internship is a valuable part of your ministry formation. This paper is not shared with your internship supervisor. You may share it with them if you wish.

Putting into words the feelings and experiences that you have had (both good and bad) is spiritually clarifying. Such reflection can help you see the ways God may be directing you to your future ministry vocation.

Formatting requirements:

- Please use 11-12 point font in Calibri, Arial, New Times Roman or Garamond
- Include the standard Phoenix Seminary cover page
- Use double spacing and one inch margins
- The following are the five items the Director is looking for in your reflection paper. Please follow this order and title each section the way they are delineated below.
- It is expected that each section may be from 3-5 pages long (except for the Activity Summary)
- At the top of the page ahead of each of your answers, please type out fully the question below that you are answering.

1. **Activity Summary**
   Describe in a paragraph or two the work you did as an intern.

2. **In this internship what was easy for you and what was hard? That is, what brought you joy and what brought you frustration? Give examples and reflect upon what you have learned about yourself and your abilities and giftedness through them.**

3. **Tell about two critical incidents during your internship. (Note that often these are negative experiences.) How did each experience leave you feeling emotionally? Spiritually? What relationships were affected and how? How do you think they have influenced your view of ministry? What would you do differently if you faced these situations again?**

4. **Quote some key scriptures that can help you understand your experiences during your internship, especially if you faced significant challenges. How do these scriptures help you find a way forward to your future ministry practice?**

5. **How have you come to view your internship experience theologically? That is, what key theological themes seem now to have been involved in your own spirituality as an intern? What was God up to in your experiences? In what way do they parallel with any biblical advice given to leaders in ministry (Jethro to Moses, Paul to Timothy or Titus, etc.)**
